Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Foreign News on Tobacco: January 5, 1928 Total production of tobacco of all classes and varieties in the United States is placed at 1,237,8e2,000 pounds, according to the December estimate, a reduction of some pounds or per cent from last year s crop. The increase in the bright flue - cured districts of the east ern seaboard is more than offset by heavy reductions in the air - cured and fire - cured districts of the Mississippi Valley and Virginia, and less im portant reductions in some of the cigar districts. Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.
