## Let s Sing and Learn in Spanish (Book + Audio CD)

By Neraida Smith

McGraw-Hill Education - Europe, United States, 2009. Book. Condition: New. 2nd Revised edition. Language: English,Spanish . Brand New Book. Make learning Spanish fun for kids through music. All little kids adore music, so why not tap into this natural affinity to get young kids hooked on foreign language learning? That s precisely what the unique Let s Sing and Learn in Spanish does. With a songbook of twenty original melodies, Let s Sing and Learn in Spanish (CD edition) teaches basic Spanish vocabulary and expressions in a fresh, exciting way. Instead of trying to memorize greetings, numbers, colors, and days and months, your child will enjoy the fun of putting them to music. While singing Los meses del ano (The months of the year), not only will your child be actively engaged, but the lessons learned will stay with her much longer as she associates the new words with easy-to-remember rhythms and beats. Pop in the twenty-five-minute CD and listen as your child sings along in Spanish with other kids on the recording, belting out these delightful tunes and learning about everyday subjects at the same time.Songbook of twenty original tunes will have your child, aged three to six, singing...

### Reviews

*Absolutely essential go through pdf. Indeed, it really is play, continue to an interesting and amazing literature. You will not truly feel monotony at at any time of your time (that's what catalogues are for concerning if you question me).*

-- **Julia Mohr II**

*This publication will not be easy to get going on reading but really exciting to read through. it was writtern really perfectly and beneficial. I found out this pdf from my i and dad suggested this publication to find out.*
