Pilot Study: Applying Lean to Factory Home Building

U.S. Dept of Housing and Urban Development, Manufactured Housing Research Alliance

Bibliogov, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Lean production is an approach to manufacturing that strives to eliminate all kinds of waste (time, money, materials, etc.) while creating a culture within the plant of continuous improvement. Lean processes have long been used in other industries, notably automotive, to improve quality while reducing the overall cost of production; however, they are relatively new to the factory built housing industry. Nine...
