The origin of England and English language is better done by historians. However, England is a one of the country in United Kingdom. The remaining countries that make up United Kingdom is Scotland, Wales and Northern Ireland. It is a small but mighty kingdom that traverse all nooks and corners of the world in colonial past, present and the future. In view of the fact that all nations of the world that have ever had direct or indirect English touch behaves similar to the English men, including forgetting their mother tongue which the English people have refused to forget. The home base of the country is an island within 51 44; 0 26, 32 OD. Exactly lying at the center of the earth (the equator) The Greenwich Meridian. Hence, the Greenwich Mean Time (GMT) from where other geographical times were derived. All forces of nature attract to the equator. Hence, all countries of the world are attracted to Greenwich (England in quote). Their Roman past has shaped their present and the future and may have informed the past, present and...
