Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Darton, Longman & Todd Ltd. Paperback. Book Condition: new. BRAND NEW, Finding a Voice: A Lent Course Based on The King's Speech, Hilary Brand, Followers of Christ are described in the New Testament as a 'royal priesthood' and 'inheritors of the kingdom' - people with incredible potential and enormous responsibility. Yet the selves we see in the mirror are flawed and failing, all too often tongue-tied and terrified. 'The King's Speech' is such a runaway success because it holds that mirror to our world, and offers hope of overcoming the difficulties. It shows hope built out of friendship, trust and supportive love; and courage in the face of gathering evil. Lent is traditionally a time for strengthening resolve, bringing believers together in trust and encouragement as they strive to follow their calling. The purpose of this course could be summed up in the words of the King's speech therapist: 'To give them faith in their voice and let them know a friend is listening.' The course, which offers five group sessions plus weekly material for private reading, uses the film as a discussion starter and relates it to what the Bible has to say about such universal issues as discouragement and determination, fear and friendship, calling and courage.
