## JESUS LIVED IN INDIA: HIS UNKNOWN LIFE BEFORE AND AFTER THE CRUCIFIXION

Penguin, New Delhi, India. Paperback. Book Condition: New. Reprint. Why has Christianity chosen to ignore its connections with the religions of the East, and to dismiss repeatedly the numerous claims that Jesus spent a large part of his life in India? This compelling book presents irrefutable evidence that Jesus did indeed live in India, dying there in old age. The result of many years of investigative research, *Jesus Lived in India* takes the reader to all the historical sites connected with Jesus in Israel, the Middle East, Afghanistan and India. As well as revealing age-old links between the Israelites and the East, the evidence found by theologian Holger Kersten points to the following startling conclusions: In his youth Jesus followed the ancient Silk Road to India. While there he studied Buddhism, adopting its tenets and becoming a spiritual master. Jesus survived the crucifixion. After the resurrection? Jesus returned to India to die in old age. Jesus was buried in Srinagar, the capital of Jammu and Kashmir, where he continues to be revered as a saintly man. The tomb of Jesus still exists in Kashmir. The author, Holger Kersten, specializes in religious history. He studied theology and pedagogics at Freiburg University, Germany and has travelled extensively in the Middle East and India. He is the co-author of *The Jesus Conspiracy*. Printed Pages: 296. Size: 14 Cms x 22 Cms.
