

## The Company That Solved Health Care: How Serigraph Dramatically Reduced Skyrocketing Costs While Providing Better Care, and How Every Company Can Do the Same (Paperback)

By Jr. John Torinus

BENBELLA BOOKS, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In 2003, Serigraph s annual health care bill was its third largest expense and growing at a rate of 15 a year. Health care cost escalations were in danger of bankrupting their company. In order to significantly lower costs, company leaders knew they needed to take a radical approach. Serigraph focused its strategies on three areas--consumer responsibility, primary care, and centers of value. In concert with other management methods, these tactics slashed costs while improving the quality of employee care. Instead of double-digit inflation of its health care costs, the company s average increase dropped to 2.8 , far below the national average. Serigraph s cost per employee actually dropped! The Company That Solved Health Care offers effective, cost-cutting solutions to today s business leaders. Learn about and apply some of these proven strategies at your company. Discover how you can: Adopt a consumer-driven plan so employees take ownership of their health care Take advantage of lean disciplines in your company s health care plans Put the emphasis on primary care to keep people well and out of expensive hospitals Fight for transparency in prices...
