

The Supreme Court of the United States, with a Review of Certain Decisions Relating: To Its Appellate Power Under the Constitution (Classic Reprint) (Hardback)

By Edwin Countryman

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Supreme Court of the United States, With a Review of Certain Decisions Relating: To Its Appellate Power Under the Constitution This critique is not a general dissertation upon the judicial interpretation of the Constitution. The author is too much in sympathy and accord with the salient features of that interpretation in its usual application to the provisions of our organic law, to indulge in any general criticism. There are, however, a few important decisions of the court of last resort, in which it has declined to exercise its appellate jurisdiction; and as this special interpretation of the judicial power is equivalent to a refusal of the court in many cases to act as a check upon the official action of the executive and Congress, this work is principally composed of a series of strictures upon those particular decisions. That the nature and gravity of the conclusions involved in some of these decisions are startling in their possible consequences, must be quite apparent when an eminent professor of Columbia University deems himself justified in announcing in a public...
