BLOODY SUNSET MOLLY PARSONS MYSTERIES VOLUME 2

[DOWNLOAD](#)

Cliff House Publishing. Paperback. Condition: New. 260 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Sunset may be Michigan's vacation paradise, however, Molly Parsons' childhood there was hell. The daughter of a crackpot religious fanatic, Molly grew up miserable and poor on the ugly edge of town. After she finally escaped Sunset, she swore she would never return. Molly headed for the mean streets of Detroit, and a job as a bounty hunter. But life has a way of throwing curves. When she found herself back in Sunset on a job, Molly ended up in the arms of the man of her dreams. She returned to live in her hometown and took on a new career as a detective for the Sunset Police Department. In *Bloody Sunset* Detective Molly Parsons discovers a holiday weekend is anything but relaxing. After barely surviving her last case, Molly is looking forward to nothing more than kicking back and enjoying the Independence Day weekend. Unfortunately, a murderer has other plans. Howard Lane was a cheat and an embezzler, but that didn't mean he deserved to be chopped up with a meat cleaver. At least Molly doesn't think so. Along with a homicide to solve, Molly also has to babysit Wall Street's most notorious fraud artist. What she doesn't know is that he is being stalked by the Grim Assassins, a righteous trio of self-styled avengers of crimes against the economy who will stop at nothing to reap their vengeance. As if her life isn't complicated enough, Molly finds herself attracted to a charming federal agent with secrets of his own. Fireworks, gunplay, and murder guarantee this Fourth of July in Sunset will be a memorable one. Molly Parsons is a beguiling character who fully deserves to be the star of a long, successful series of return...
