DAILY DICTIONARY 3RD-12TH GRADE: VOLUME 1 (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are many ways that a person can find out about words. When I was younger and didn't know how to spell a word or understand its meaning, my Mom would always say, Look it up! I would always go look it up and viola; I would learn the spelling and meaning of the word. My Mom was right and I am so glad she directed me to the dictionary verses just telling me what the word meant. It was short-term pain for long-term gain! My vocabulary increased and I had an excellent tool at my disposal 24/7! The art of using a dictionary is not dead! It is time to take your dictionary off the shelf, dust it off and use it. The best-known way to find out about a word is to use a dictionary. I wrote this workbook for my own children so they could understand how to use the dictionary and increase their vocabulary. In Daily Word Study Workbook, you get to do the following each day: 1) Look up one word that has been provided 2) Look up any word, on your own 3) Write out the words 4) Define the words 5) Clap and write the number of syllables 6) Discover the parts of speech 7) Put the words into a sentence 8) Write the definitions 9) Illustrate the words By the end of the workbook, you will have looked up and learned the definitions of 346 words!!!! Next stop, Daily Word Study Workbook Volume 2!.
