Xulon Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever thought about the importance of the words you speak? Have you considered the power of words to injure, influence and direct? My mother often told me to make my words sweet because I might have to eat them. At the time, I had no idea she was referring to an actual scripture, however; that is exactly what Proverbs 18:21 is saying. We daily eat the fruit of our words. If we sow words of kindness, we will reap kindness. If we sow harsh words, we will reap the bitter fruit of those words also. Jesus said that men will be held accountable for every careless word spoken on the day of judgment, for by our words we will be acquitted or condemned (Matthew 12:36-37). The Bible is filled with instruction for wise conversation. This little book will help you understand the power of speech and the importance of choosing your words wisely. Billie has been ministering since she was a teen. Her practical style of teaching makes the Bible come alive. She has been the feature speaker at conferences in many nations, as well as teaching Bible studies in Houston. She hosted a television program for many years on the Trinity Broadcasting Network and Daystar Network. Billie and her family were members of Lakewood Church in Houston, Texas for over 20 years, where she served on the pastoral staff and taught in the Lakewood Bible Institute. Currently Billie is on staff at The Ark Family Church in Conroe, Texas. Billie continues to teach her Bible study, as well as speaking for various churches and conferences.
