Reconstructing Conservatism?: The Conservative Party in Opposition, 1997-2010

By -

MANCHESTER UNIVERSITY PRESS, United Kingdom, 2016. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. Why did it take the Conservative Party so long to recover power? After the landslide defeat in 1997, why was it so slow to adapt, reposition itself and rebuild its support? How did the party leadership seek to reconstruct Conservatism and modernise its electoral appeal? Of vital interest to anyone interested in British politics, this highly readable book addresses these questions through a contextualised assessment of Conservative Party politics between 1997 and 2010. It traces debates over strategy amongst the party elite and scrutinises the actions of the leadership. It also considers four particular dilemmas for contemporary Conservatism: European integration; national identity and the English Question ; social liberalism versus social authoritarianism; and the problems posed by a neo-liberal political economy. The book argues that the ideological legacy of Thatcherism played a central role in framing and shaping these intraparty debates, and that an appreciation of this is vital for explaining the nature and limits of the Conservatives renewal under Cameron.

Reviews

This composed publication is fantastic. This is certainly for all those who statte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).
