A MODERN PRIESTESS OF ISIS

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 386 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Commentary from the Theosophical Review, Volume 16: STRANGE how utterly unjust a paper can be towards anyone who does not fit into its own particular little religious groove, and how illiberal is Liberalism. The Spectator of July 13th says, in a brief notice of Solovyoffs slanderous romance, A Modern Priestess of Isis: That Madam Blavatsky, the modern priestess of Isis, was a fraud, and that she confessed herself to be such to him, is abundantly certain. It seems that she took up theosophy when she found that the game of spiritism, which she had practised for some time in the United States, was played out. Her Theosophy itself was borrowed from certain writers on occultism, as is set out in detail by an expert in these subjects, Mr. W. Emmette Coleman. All this being settled, let the woman and her doings be buried and forgotten, except, indeed, her career should be wanted as a lesson and a warning. What a Nemesis of unfaith it is when those who have shaken off belief in religion as a folly out of which the world ought to have grown, fall victims to the frauds of an immoral and lying adventuress. It is abundantly certain from this paragraph that the writer thereof has not read Mme. Blavatsky's books, and is merely repeating, parrot-like, the gossip that floats about on the surface of society. Yet he would probably be surprised if he realised that such repetition of uninvestigated slanders is as immoral as anything that he ascribes to Mme. Blavatsky. The childish and petulant impatience to have the woman and her doings out of the way brings little credit to a journal which plumes itself...
