

Prayer, a Biblical Perspective

By Eric J Alexander

The Banner of Truth Trust, United Kingdom, 2012. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. We shall do well to watch our habits of prayer with a holy watchfulness. Here is the pulse of our Christianity. Here is the true test of our state before God. These words of J. C. Ryle are as true today as they were when they were first written over 150 years ago. Prayer matters, and Eric Alexanders chief concern in this book is to remind Christians that prayer is fundamental, and not supplemental, both in the individual and in the corporate lives of Gods people. He shows that nowhere is this dependence on prayer more fully exemplified than in the life and teaching of Jesus himself, and in the ministry of the New Testament church.
