Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The August Abrahamson Foundation Naas The form in which the lectures are given also varies, sometimes the lecturer alone speaking and on other occasions a kind of Socratic method being employed in the shape of a conversation between the lecturer and his hearers. The latter are expected to take notes which can afterwards be used as the basis of a written summary of the lesson. As a rule, the lectures are given by the Director and, during the summer, this not only in Swedish but also in English and German. Included in the theoretical instruction are also discussions of the opinions expressed during the lectures, and on the forms and practical utility of the models. When the weather permits, the theoretical part of the course is held out of doors. Under all circumstances the lectures are interrupted on suitable occasions for the singing of some song or other, an arrangement which has proved to be singularly effective.
