HIGH AGRICULTURAL COMMODITY PRICES: WHAT ARE THE ISSUES?

Nova Science Publishers Inc. Paperback. Book Condition: new. BRAND NEW, High Agricultural Commodity Prices: What are the Issues?, Randy Schnepf, All major U.S. agricultural program crops - corn, barley, sorghum, oats, wheat, rice, and soybeans - have exhibited extreme price volatility since mid-2007, while rising to record or near-record levels in early 2008. Several international organisations have announced that the sharply rising commodity prices are likely to have dire consequences for the world's vulnerable populations, particularly in import-dependent, less developed...

Reviews

This ebook is indeed gripping and fascinating. it had been writtern really properly and helpful. I am very easily could possibly get a satisfaction of reading a published publication.

-- **Maude Ritchie**

This book is definitely worth buying. This really is for all who statte there had not been a worthy of studying. You will not sense monotony at any moment of the time (that's what catalogs are for concerning should you check with me).
