## SPIRITUAL ACTIVISM: KEYS FOR PERSONAL AND POLITICAL SUCCESS (PAPERBACK)

RED WHEEL/WEISER, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Steve Jobs and others like him teach us about a higher or inner knowledge and about the use of spiritual keys for success. These keys work because they are linked to universal laws that govern our universe regardless of whether we choose to learn and live by them or not. Our actions all have consequences. People who choose to recognize the consequence of success use keys governed by basic physics. They consciously choose actions according to notions of principles. Wanda Krause calls people who have learned these keys or principles, and actively use them, spiritual activists. In her book, *Spiritual Activism: Keys for Personal and Political Success*, Krause provides 12 keys for success that include principles taught by mystics and are grounded in physical laws of the universe. Through observations, interviews, and direct participation with hundreds of activists over a 12-year period, she has found their challenges are becoming more and more complex, yet they are still able to discover keys to success no matter what country they are in, the various aspects of the culture around them, or the particular challenges they face. Krause presents ten activists stories to show how they achieve real success. Themes include overcoming personal challenges, such as substance abuse or cancer, creating true miracles, entrepreneurship, service after a life of abandonment, post-war peace, politics around new environmental threats, terrorism, politics around nuclear programs, lessons from the Arab Spring, compassionate justice and a new world economic system. The activists provide awareness of their concerns while they provide guidance and examples using spiritual keys. For Krause, whether struggles are considered personal or political they are all embedded in power dynamics that must be transformed, and it is her belief that spiritual activism...
