*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

In my younger days people believed in mahogany; some of my readers will remember it-a heavy, shining substance, having a singularly close resemblance to raw liver, exceedingly heavy to move, and esteemed on one or other count the noblest of all woods. Such of us as were very poor and had no mahogany pretended to have mahogany; and the proper hepatitis tint was got by veneering. That makes one incline to think it was the colour that pleased people. In those days there was a word trashy, now almost lost to the world. My dear Aunt Charlotte used that epithet when, in her feminine way, she swore at people she did not like. Trashy and paltry and Brummagem was the very worst she could say of them. And she had, I remember, an intense aversion to plated goods and bronze halfpence.
