Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Improve Your Intuition - the latest new age, spiritual awakening book by John Culbertson. If you want to learn simple practical exercises to improve your intuitive skills and achieve a better understanding of your inner energy and the energy that surrounds you, then Improve Your Intuition shows you how. If you are skeptical about how spiritual energy works, then you are the kind of reader that John Culbertson perhaps has in mind when he says, You are not being asked to blindly accept these beliefs; you are merely being called and challenged to explore them. This doesn't mean you have to give up your current set of beliefs, but it does require an open mind. In this practical and sensible how-to manual that reveals simple techniques to energize and enrich your life, John Culbertson draws upon his abundant experience of interacting with different kinds of spiritual energy and simplifies esoteric subjects in an easily comprehensible manner. Success with your intuition or the psychic sciences is like singing. Most everyone has a voice, and most everyone can use it to sing, but some people are just naturally better at it than others; however, everyone can learn to improve what is already there through study and practice. This is the kind of refreshingly simple and candid manner in which John unravels complex concepts. The tone of voice is so evocative that it infuses confidence and enthusiasm even in a novice who is coming across these concepts for the first time. Generously embellished with mythological anecdotes, rational explanations and metaphorical descriptions, Improve your Intuition takes the reader on an incredibly fascinating journey that leaves refreshingly vivid impressions on the mind.
