HarperCollins Publishers Inc, United States, 2007. Paperback. Condition: New. Reissue. Language: English . Brand New Book. A shy Louisiana librarian, Mary Warner fears she ll always be alone-so she answers a personals ad from a rancher in Montana. Never before has she done anything so reckless, casting the only life she knows aside to travel to a strange place and marry a man she s never met. But something about this man calls to her-and she knows this may be her very last chance at happiness. Tragedy made Travis Thompson the guardian of three orphaned children-and determination leads him to do whatever it takes to keep the kids out of foster homes. When he decides to take a long shot on a personals ad, the results are surprising, and before he knows it, he has agreed to marry a mysterious Southern woman sight unseen. It could be the mistake of a lifetime. But Mary Warner may be exactly what this broken family needs. And with a little faith, a little trust, and a lot of love, two lonely hearts might just discover the true meaning of miracles.
