Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Four hundred years earlier the great spaceships had departed from Terra to colonize distant planets. Few ships reached their destinations; their sporadic signals waned and disappeared. No one knew whether the colonists survived. Now, construction of a new generation of hyperdrive ships was scheduled at one every five years. Planet Delta was selected as the next target for survey because the arrival of a brief signal suggested the descendants of the colonists were alive. Tiger Lily longs for freedom. In her fight to escape the subterranean slums of Terra, Lily competes to join the scout team selected for the next spaceship along with a new set of prospective colonists. Their mission to discover the lost colony faces the challenges posed by the voracious predators of the planet. In the mountains, they encounter Conley, a grim warrior who longs to escape the confines of his isolated valley. Has Tiger Lily met her match in this tortured warrior? But, where is he leading them? Danger lies ahead, and conflicts between humans and aliens. Can they ensure the safety of the new human colonists, or must they retreat to Terra? Other science fiction novels by Aurora Springer are: The Lady is Blue, and Dragons of Vkani, in the series called Atrapako on Eden.
