LIGHT FOR SUCCESS: BRILLIANT MINDS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Knowledge by itself, does not guarantee success. What guarantees success is the correct application of knowledge to generate goods and services, employing people, serving people to have a better life. In the journey of my life as author, I found many people who came out of poverty, after discovering the secret of success, they changed their minds, and life changed completely, creating relevant projects worldwide. As Napoleon Hill said, the man who was adviser of two presidents of the United States of America, Woodrow Wilson and Franklin Delano Roosevelt: "What the mind can conceive and believe, it can achieve". Please stop giving excuses and complaints from now, what your mind can conceive and believe, it can achieve. The difference between rich and poor, is the immediate decision to conceive and believe in dreams to come true in the physical world.
