She d make a perfect wife and mother. She s so beautiful that men can t keep their eyes off of her. She s everything Charles could want, and the only thing she wanted was Charles. But as Charles s friend Richard and his students watch the love story unfold, they can t help but notice the striking similarities between Yuki and a ghost from a famous Japanese legend named, coincidentally or not, Yuki-Onna. But ghosts are only found in stories, right? Yuki-Onna Her Gaijin Lover tells the story of a whirlwind romance between a foreigner living in Japan and Yuki, a mysterious and magnetic girl everyone seems to have an opinion about. And while their dates are magical and their love is blossoming, the coincidences just keep piling up. Knipfing s modern-day retelling of the classic Japanese ghost story is a walk through a budding romance with a nagging question that just won t go away.
