BRAND NEW, Wildlife of New York: A Five-Borough Coloring Book, Giada Crispiels, Wildlife of New York brings the vibrant, humming energy of New York City to the page, with intricate illustrations and playful details that celebrate the city's landscape and animal life. Artist Giada Crispiels' striking images highlight some of New York's most beloved landmarks from all five boroughs—including the Bronx Zoo, Central Park, Coney Island, Flushing Meadows Park, and the Staten Island Ferry—alongside the city's charming nooks and crannies, from brownstone-lined blocks to fire escapes. Enchanting details, like iconic New York coffee cups and soft pretzels, are tucked throughout the scenes, and within these beautiful backdrops, amateur artists will discover dozens of the plants and animals that thrive in every corner of New York. Common squirrels and pigeons move through the streets; hawks, seals, and white-tailed deer scamper in the city's majestic parks; and surprising visitors—like Eastern coyotes—pop up where they're least expected. Featuring a complete glossary of animals, as well as thumbnails and caption information for all of the locations represented, this coloring book is both a creative outlet and a behind-the-scenes look at New York, guided by the wildlife that surrounds us. Colorists of all ages will delight in this stunning, visually rich exploration of one of the world's greatest cities.
