Brand New Book ***** Print on Demand *****.Ayana Morris, with her friends Sean and Fonda, who happened to be the same person, built Morris Communications from the ground up. When famed designer Missy Clove offered them an exclusive job on a privately owned island resort they knew they were making it to the big times. They just didn't know what was in store for them. Ethane Hemming, multi-billionaire, recluse, and brother to Missy Clove took his job as the alpha of the Southern Clan seriously. That for the last three months he had been able to lay with a woman successfully irritated him to say the least. His mating heat was upon him and his chosen mate, Grace Alder, was on her way to appease his needs. He claimed her irrevocably, only to find the woman in his arms was Ayana Morris. Collin found the situation laughable until he caught sight of Fonda. As beta and historian of the clan he was never to have a mate. But something in him wanted the man in front of him, no matter if he was in Drag or not. Sean found himself in the middle of a paranormal storm and only he seemed to have the whereawithal to take it on head first. Now all he had to do was make Ayana ready for the ball and she'd have her happily ever after too. A Fairy Drag Mother's work was never done!.
