This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book offers a wealth of baseball and softball knowledge intended to be shared with coaches, parents, and players to help them have a well organized team while making the season fun, memorable, and instructional for young players. Many new coaches are parent volunteers who may have knowledge of the game, but applying their knowledge to teaching, capturing the attention of the whole team, keeping chemistry among parents, coaches, and the players, are just a few of the challenges that come with being a coach. Coaches are roll models who must keep the perspective that the game is for the kids. At youth levels, we are teaching much more than the science of baseball. We are teaching sportsmanship, teamwork, respect for others, self respect, and how to win and lose with dignity. This book is intended to help youth programs build an annual structured player draft, so all teams at each age level can be selected fairly and competitively each year, resulting in fair and balanced competition. From the first team practice, to the season ending party, the contents of Amazing Baseball Tips will allow you to be certain that all of your players and parents request you as their coach for years to come!!! Practice drills, teaching techniques, coaching philosophy, the basics of pitching, fielding, hitting, bunting, base running, defensive strategies, choosing your line-up and defense, calculating stats, and most importantly.
