Night after night, the fairy of her dreams will tell her the stories of the inhabitants of the Kingdom, its town, and the magical Nocturnal Forest nearby. A forest full of magical creatures where the impossible can happen. When Melanie starts dreaming about the Kingdom of Astebeth, at first she thinks it's just another recurring dream from the fantasy books she is used to reading, but as she goes deeper and deeper into the stories of the inhabitants of the Kingdom, she starts suspecting that she may be more than just a witness of this magical story. Follow her on her incredible journeys that will take her to magical places and beyond Earth itself to discover the magical secret of the Nocturnal Forest in the first part of The Fairy of my Dreams trilogy.
