It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Commission Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Forgive: Living Free from the Pain of Offense is my personal testimony of how the Lord helped me discover freedom through forgiveness. Through my experiences, I learned that the pain from offense does not have to be permanent. Healing and peace can be mine. The aftermath of offense can leave painful scars on our hearts and lives. We often become someone we do not recognize to cope with the pain and protect our hearts. Nothing in our lives remains the same again. Through our offense, we affect everyone and everything around us. As an unintended consequence, many of us transition from the offended to the offender. We hurt ourselves, the people who love us, and the Lord, who died for our sins. This cycle continues until we address the offense that affected us and forgive those who wronged us. I wrote Forgive: Living Free from the Pain of Offense to help you address the offense and unforgiveness in your life. This book will identify why offense occurs, why we choose not to forgive, and how you can forgive those who wronged you. As I pour out my heart upon these pages, I pray you will find healing and freedom found through love and forgiveness.
