Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is a very good reason why it is called the information super-highway. Because that is exactly what the Internet is. Most people turn to the Internet for the purpose of getting answers to questions about everything you can imagine and a few things you would never want to try to imagine. They buy things and sell things.both require information. They search for ways to make money using their computers.for that they REALLY need information. They search for information about the illnesses they or their family face or they research projects for work or school. Information is THE Internet commodity that almost everybody with a computer wants - and will pay for, even if available for free. Information is the ultimate commodity and wealth goes to those there first with the timeliest information! Get this book now to get in on the Info Product Gold Rush!.
