Sophia must master her psychic ability if she is to save the life of Queen Elizabeth and her fellow maids from a dark prophecy, in this third book in the Maids of Honor series. Sophia Dee, the most unusual spy in Queen Elizabeth s Maids of Honor, has run out of time for her psychic skills to fully manifest. A terrible prophecy haunts Windsor Castle, and the Queen demands answers before the next doomed soul dies. Thrust into a dangerous competition to solve the deadly prediction, Sophia finds herself pitted against the most celebrated mystics of Europe: John Dee, her devious uncle and the Queen s personal astrologer, and Nostradamus, the renowned prophet-seer of France. In a court where whispers of witchcraft, poisonous plots, and grim assassins threaten her at every turn, Sophia needs answers fast. But does she dare trust Marcus Quinn, her uncle s striking assistant? Or should she turn to the tortured dark angel of the spirit realm, who whispers to her only of danger and death? As new dangers surface and the prophecy sweeps toward its final victim, the five Maids of Honor prepare to do battle. Only then will the girl who so often sees the future finally discover if she can save the Crown--and herself.
