ARCHIMEDES SLAKED (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.WHAT IF THE MILLENNIALS WENT ON STRIKE AND SHUT DOWN THE INTERNET AND DIGITAL INFRASTRUCTURE? THIS IS THE EPIC STORY AND WARNING OF ARCHIMEDES SLAKED. In the final volume of Archimedes Slaked, the government collapses into dictatorship as it desperately searches for the cyber terrorists and their radical technology. Neera Solai and her company are targeted in a final blow to pressure Abriado Centeri to cooperate and disclose all information he possesses. In a stunning world-wide internet address, Centeri announces the true purpose of his man-made island and its monumental technology. Centeri and Solai join forces once again to battle the final government attack aimed at disabling the island and the technological future of all humanity. In this epic, philosophical techno-thriller, H. Scott Sturm tells the story of society s economic and social evolution from the fierce, entrepreneurial twentieth century individualism of Atlas, to the twenty-first century technological and intellectual collaboration of Archimedes. It ultimately is the story of the passing of society s guard to the technically oriented and gifted young.
