Little, Brown Book Group, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. People Who Knock on the Door, is a tale about blind faith and the slippery notion of justice that lies beneath the peculiarly American veneer of righteousness. A border zone of the macabre, the disturbing, the not quite accidental . . . Highsmith achieves the effect of the occult without any resources to supernatural machinery New York Times Book ReviewIn a pitiless story of prying suburban self-righteousness, Patricia Highsmith introduces the Alderman family as they descend into moral crisis. When small-town insurance salesman Richard Alderman becomes a born-again Christian, his once tight-knit family quickly begins to rip apart at the seams. He and his youngest son, Robbie, embrace their newfound faith, while his elder son Arthur rejects it. Caught in the middle of the ensuing web of lies, his wife, Lois, tries to keep the family together, but when the church elders start to interfere in Arthur s love life, events spiral toward violence. In this masterful late work, Highsmith weaves a powerful tale about blind faith and the peculiar ideas of justice that lie underneath the veneer of respectability.
