*This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## GRANNY DAN

Random House USA Inc, United States, 2000. Paperback. Book Condition: New. Reprint. 173 x 104 mm. Language: English . Brand New Book. By age seventeen, Danina Petroskova had become a great ballerina, a favorite of the Czar and Czarina, who welcomed her into the heart of the Imperial family. But events both near and far away shook the ground upon which she danced. A war, an extraordinary man, and a devastating illness altered the course of her life. And when revolution shattered Russia, Danina Petroskova was forced to make a heartbreaking choice as the world around her was about to change forever. Granny Dan is about the magic of history. In it, Danielle Steel reminds us how little we know of those who came before us and how, if we could only glimpse...
