Baker Publishing Group, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Karl Barth and his legacy have dominated theology circles for over a decade. In this volume George Hunsinger, a world-renowned expert on Barth's theology, makes an authoritative contribution to the debate concerning Barth's trinitarian theology and doctrine of election. Hunsinger challenges a popular form of Barth interpretation pertaining to the Trinity, demonstrating that there is no major break in Barth's thought between the earlier and the later Barth of the Church Dogmatics. Hunsinger also discusses important issues in trinitarian theology and Christology that extend beyond the contemporary Barth debates. This major statement will be valued by professors and students of systematic theology, scholars, and readers of Barth.
