

Counterinsurgency Meets Soft Power: An Alternative Approach to Deterring Terrorist Recruitment in Mindanao (Paperback)

By Naval Postgraduate School

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Terrorist activity in Southeast Asia remains a challenge to U.S. national security. In particular, terrorist organizations in the Philippines continue to conduct deadly attacks and attract more recruits despite U.S. and Philippine government counterinsurgency (COIN) efforts. Within the last seven years following the 9/11 terrorist attack, the Philippine and U.S. governments have combined efforts to address insurgency as a threat that hinders peace and security within the Philippines as well as Southeast Asia. Despite the ongoing counterinsurgency operations in Mindanao, the southern region of the Philippines continues to exist as a hub for terrorist recruitment, training, and operations. A key aspect of hindering insurgency growth within the Philippines is deterring terrorist recruitment by first identifying the underlying conditions that promote discontent among the people of Mindanao that make them susceptible to the ideology of militant Islam and then implementing a strategy that includes a full range of activities from kinetic to non-kinetic methods. It is clear that economic conditions, poor governance, lack of adequate social and educational programs are all contributing factors to the instability of Mindanao. What is not so clear...
