GETTING AROUND IN CHRISTIAN CIRCLES (PAPERBACK)

Mantle Ministries, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As Christians, we often encounter believers and unbelievers who are sincerely searching to understand truth. Our challenge is always to communicate that truth in ways that are simple to understand and brief, but also accurate and complete. Getting Around In Christian Circles does that! This is a textbook of essential lessons - gleaned from 30 years of teaching adults from varied backgrounds and churches - for successfully living the Christian life. Each topic is illustrated with a circle to help aid understanding or add interest to often difficult Christian concepts and principles. Getting Around In Christian Circles also contains a guide to church life; a guide to salvation and spiritual gifts; a guide to Christian ethics; and a glossary of the lingo used in Christian circles. This book also provides advice for recognizing and avoiding abuses in the church. Getting Around In Christian Circles is appropriate for anyone who wants to grow spiritually. It s an exceptional resource for pastors and Christian educators, and can also be used for a variety of classes on Christian living. Anybody can use the simple illustrations in this book to help themselves and others understand and embrace the Christian life. Getting Around In Christian Circles will prove to be a reliable guide for the reader as it has for many hundreds of Christ s disciples to help weather the storms of life, run the Christian race well, and help others to be successful.
