Uncaged Media, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When is the last time you finished something meaningful? Something big? Something that you've been dreaming of doing? Well, now is the time beloved. This planner is for you if you're tired of starting projects that only disappear into the black-hole of busy-ness and overwhelm. If you're fed up with never finishing the goals that truly matter to you, and you're ready to stick with your new year resolutions past February - then I will show you how to change your perspective. HOW? The in-depth weekly reflection format and quarterly focus will force you to break your goals up into manageable chunks, so that you stop biting off more than you can chew. Because let's be real, not all tasks are created equal - so the secret is knowing how to prioritize the things that are actually essential. Plus, these are the same strategies and tools that I use in the Women Who Finish mastermind to coach dozens of women into their purpose end zone. It's time for you to make the moves that actually matter, so you can actually finish. So let's kick procrastination and perfectionism to the curb - and finally answer your calling. Because finishing is better than starting. (Ecclesiastes 7:8).
