

## Melanie Klein: The Basics (Paperback)

By Robert D. Hinshelwood, Tomasz Fortuna

Taylor Francis Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Melanie Klein: The Basics provides an accessible and concise introduction to the life and work of Melanie Klein, whose discoveries advanced those of Freud and other analysts, deepening our insight into the unconscious domain of psychology in human beings. Klein began her work by developing a method of psychoanalysis for children, who suffer from anxiety and other, often unrecognised, conflicts, which enabled understanding of those crucial early steps in the development of human mind and identity. Although she initiated one strand of clinical and theoretical developments, many of her discoveries are well-regarded by other schools of psychoanalysis. The book contains four parts, as well as further reading suggestions and a helpful glossary of key terms. Part I introduces Melanie Klein in the context of her life, her early interest in psychoanalysis and her first discoveries; Part II takes up the development of her technique of child analysis and discusses the ways in which her insights and conclusions in this area influenced the technique of adult analysis and the more general understanding of the human mind; Part III focuses on further scientific and clinical developments in...
