

Secret Warriors, Psychic Spies: Based on a True Story

Filesize: 7.05 MB

Reviews

A fresh e-book with a brand new point of view. It really is packed with knowledge and wisdom Its been designed in an exceedingly simple way and is particularly simply following i finished reading this publication through which actually modified me, alter the way i really believe.

(Bernhard Russel)

SECRET WARRIORS, PSYCHIC SPIES: BASED ON A TRUE STORY

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A few years ago the Great Recession grabbed me by the scruff of the neck and shook me like a rat terrier with a stuffed toy. Yeah, like a few million others I found myself without a job. For me it was the first time in my life I had been unemployed. After a few months looking for and not finding any kind of employment I was losing hope and going a little stir crazy. During that time strange images kept popping into my mind of an odd, sometimes wonderful, sometimes terrifying event that happened to me while I was in the army. I decided to write a story about it. The story turned into a book but I never got around to getting it published. Why is that, you ask. Two reasons: First and foremost I kept thinking; No way in hell is anyone gonna believe this. Second, the book doesn't contain any of the currently popular themes everyone seems so eager to read. There are no vampires or werewolves fighting their age old wars nor any there strange and forbidden love triangles involving these creatures. There is nary a word about zombies or the coming zombie apocalypse. The world is entirely safe from the restless dead in my book. So what is the book about and what can you expect to find inside? Mine is a fictionalized account of the true events surrounding a Top Secret military experiment in psychic warfare. That experiment and others like it were part of the selection process for what became known to the world as the CIA's Stargate Project. What can you expect to find...
