Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The weekend arrives and another outing is planned - this time up the hill to Castle Whipple. Jem has promised to tell Jeminee about his idea for the Maiden Air competition, and as he explains she is horrified. It is about bodies, dead bodies. She listens aghast as he details his plan for The Ultimate Scatter. They snack on some beachwizards and explore the castle, Shulfi sniffing at every column. A sudden shift in the ground finds Jeminee plummeting into a hole and spraining an ankle when she lands. She can't walk. They have a problem. Jem slithers into the hole and discovers a tunnel running under the castle. Where does it go? The Two Jays send Shulfi off for help while Jem does some magic on Jeminee's foot that allows her to walk. Once Michael, Julie and Sandy arrive to rescue them, Jeminee is walking normally to everyone's astonishment. It is a miracle. Michael pulls the Jays out of the pit with the help of the two carved metal shields that Jem has found in the tunnels. They will turn those into watersliders and try them out in Puddlewater. Who will win the competition for the rocket trip? How did Jem heal Jeminee's broken foot? Find out more in the next book, Miracles at Hoggswaffle.
