Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

After the shocking climax to A Piece of Blue Sky, the action moves to the small town of Earlsbury in the English Midlands. Patrick Lynch, captain of the golf club and pillar of the Irish community, is made an offer he can't refuse to take on the distribution of counterfeit cash. With his contacts in the police, he is confident that his network can handle the challenge. It seems too easy, and it is. One night, the handover of a large shipment goes horribly wrong; the consequences devastate Pat's family and threaten his survival. Tom Morton is determined to follow the counterfeit money and risks his career to join the investigation. He is saddled with DC Kristal Hayes, pariah of the Midland Counties Police. Tom has to deal with the chip on Kris's shoulder and fight against the mole working behind the scenes to sabotage his investigation. As Tom gets closer to the truth, the stakes rise and more people are determined to stop him putting together the pieces of the Jigsaw. This is the second volume of the widely acclaimed Operation Jigsaw Trilogy, and continues the story begun in Volume I - A piece of Blue Sky.
