Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

No, I am convinced they must have been well aware that these laws were viewed by the people as a great infringement u n the principles of just legislation. Ever since that period, I have looke upon these laws as the master-iece of injustice and partiality. I would ask, How does it happen that t is country is so often visited with commercial distress? In 1816 we had a panic from, it was called, the return of peace; but I might add, from a bad cro, and the operation of the Corn Laws passed the year before. In 1819 we ad again another panic; in 1826 the Bank panic; in 1830 again a panic, and those engaged in the woollen trade will know, that wool was lower that year than at any period since the first American war. Then the panic of 1837, with all its ruinous effects, are too well known to be named. With a country possessing more capital, more commercial enterprize, more skilful artizans, and industry surpassed by none, we must look for a cause for all these various periods of misery and distress (hear, hear). I find the cause in the Corn Laws, whose sliding operations are ever sliding our demand for foreign grain, and the foreigners demand for our manufactures, on a dangerous and ruinous scale (applausef). Some say the frequent recurrence of our commercial panics proceeds rom over-banking, over-production, and over-population. Over-banking may be a very...
