Draw Color (D C): Gentle Activity Where You Choose the Colors to Create Your Picture and Blocking Out Any Intrusive Thoughts. (Paperback)

By Roger a Anderson

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a must have book for all the ages. One should color and draw this book by accessing the subconscious mind. Most of this book buyers have claimed that they have enjoyed and thrilled to color a book like this. The right technique to color this book is to stare the sketch for roughly 3 minutes, thereafter close your eyes and visualize the same image in your mind. Then, color this image in your mind. Once you have successfully visualized what colors you would like to fill, then use the same color and simply color it. This technique would help your visualizing power, eventually you would be able to access your creative visualizing side of your brain. If you follow the same practice day in and day out, then you would be able to materialize things which you want, by successful visualization. Roger Anderson, who has authored this book has so many clients with their success stories to talk about. A BOOK LESS THEN 10\$ IS DEFINITELY WORTH A SHOT Coloring and drawing are the best way to...
