

The Pamphleteers: The Birth of Journalism, Emergence of the Press the Fourth Estate (Paperback)

By James A. Oliver

Information Architects, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Pamphleteers is an investigation into the early journalism. In an era long before the advent of the periodical press, the pamphleteers were the world's proto-journalists. As a paper platform for a spectrum of religious fanatics, eccentrics, social reporters and satirists, the pamphlet evolved as a weapon of propaganda (forged between the fledgling press and the censorship of the Star Chamber) for powerful vested interest groups, political parties, governments - and revolutionists. The Guttenberg press of the Renaissance provided the spark and the sixteenth century Reformation the explosive fuel for the pamphleteering phenomenon. As the pamphlet form took root, then so English prose evolved from its antique form to embrace an extraordinary spectrum of literary techniques and styles from cod-polemic to ferocious satire, and beyond. In times of religious ferment, civil war, colonial unrest and revolution, such texts - risky or even dangerous to publish - were as often the product of secret presses and anonymous authors. At the other exposure, there were those who encountered that risk - and found notoriety or lasting fame along the way. In the...
