

The Delving Dictionary Volume II: ABCs of Reality (Paperback)

By Ron Spillers

Outskirts Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.REALITY ROCKS - EMBRACE THE MOMENT! The Delving Dictionary strikes again, with the ABCs of Reality! Volume II will challenge those who take reality for granted, suffer through it each day, try to avoid it, or dress it up to serve their own desires. But what exactly is reality-and when we depart this astounding place, what, if anything, awaits us? By examining some of the greatest minds in history-intellectuals and specialists in the disciplines of philosophy, physics, mathematics, sociology, religion, and the humanities-and objectively considering a wide range of opinions and tools, The Delving Dictionary reveals important clues about what constitutes the phenomenon of reality. Jovial, humorous, and down to earth, the book also explores the benefits of uniting the efforts of science and theology in their differing yet compatible quests for how and why the universe came to be. So delve right in and prepare to be surprised-even dazzled-by the conclusion's simple grace.

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
