Createspace, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Talks to Teachers on Psychology and to Students on some of Life s Ideals By William JamesA Classic Teacher ResourceReaders acquainted with my larger books on Psychology will meet much familiar phraseology. In the chapters on habit and memory I have even copied several pages verbatim, but I do not know that apology is needed for such plagiarism as this.The talks to students, which conclude the volume, were written in response to invitations to deliver addresses to students at women s colleges. The first one was to the graduating class of the Boston Normal School of Gymnastics. Properly, it continues the series of talks to teachers. The second and the third address belong together, and continue another line of thought.I wish I were able to make the second, On a Certain Blindness in Human Beings, more impressive. It is more than the mere piece of sentimentalism which it may seem to some readers. It connects itself with a definite view of the world and of our moral relations to the same. Those who have done me the honor of reading my volume of philosophic essays will recognize that I mean the pluralistic or individualistic philosophy. According to that philosophy, the truth is too great for any one actual mind, even though that mind be dubbed the Absolute, to know the whole of it. The facts and worths of life need many cognizers to take them in. There is no point of view absolutely public and universal. Private and uncommunicable perceptions always remain over, and the worst of it is that those who look for them from the outside never know where.The practical consequence of such a philosophy is the well-known democratic respect for the...
