

The Ivory Stretch (Paperback)

Filesize: 7.46 MB

Reviews

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.

THE IVORY STRETCH (PAPERBACK)

Dolce Vita Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Available July, 2016 Coerte V. W. Felske, noted Zeitgeist chronicler of the skin-deep and shameless age, flits, flaps, stretches wings, and struts with his fifth novel, *The Ivory Stretch* (The Dolce Vita Press, 2016). Frenetic, bedazzling, idiosyncratic, and uniquely original this wild ride of a narrative showcases protagonist Billy Sixkiller who seizes the reader's imagination and forces him to gaze into the heart of the American psyche in the great tradition of Twain, Kerouac, Kesey, and McCarthy. Through Billy, the author launches a revenge tale steeped in the Native American ethos to create a vivid snapshot of conflicted 21st Century America. Billy Six --a modern-day Odysseus if not Moses himself--is a larger-than-life anti-hero who takes dispirited road companions on an adventure of a lifetime of his own design, a postmodern Vision Quest of spiritual renewal. Billy slices through the breathtaking settings of the Southwest in a supercharged white limousine, blasting wide the eyes of his unsuspecting roadies--the Parisian orphaned Frenchy and his suicidal captive Roland. Billy kidnaps the dead-souled novelist for a past crime, but a curious relationship develops between the two which is the beating heart of the story. The emotionally recessive prisoner develops an amorous bond with spiritually-starved Frenchy, Billy's former lover. This shifting three-way and unlikely clashing of personalities and intimate motivations staves off predictability and the narrative surprises the reader at every turn. When the trio take to the highway in the stretch limo the novel comprises one of the great road trips found in American literature with echoes of Least Heat-Moon's *Blue Highways*, Pirsig's *Zen and the Art of Motorcycle Maintenance*, and Thompson's *Fear and Loathing*. Dramatic ironies compound as the charismatic, dazzlingly...
