Brand New Book ***** Print on Demand *****.Excerpt from Changing Russia Russia is becoming more interesting to England every day. I should like to point out how and why. We are interested in the mediaeval state of the Russian civilisation and in the religious life of the peasantry, in which it is possible to see something of what we ourselves were like in the far past. We are interested by Russian art, thought, and action as compared with ours - in the alluring contrast of life as shown in Russian novels. We look to the Russians for new sources of pleasure. So Russia waits to us with all the freshness and allurements of newly discovered country. Russia puzzles us.
