Excerpt from The Early Wooden Architecture of Andover Massachusetts: Programme of Second Annual Architectural Competition on Pages Fifteen and Sixteen From the original settlement of scattered farms the town grew and prospered, in spite of hardships, Indian wars and the witchcraft frenzy. Many of the citizens became rich, as riches were counted in those days, and with their wealth came comforts, leisure and learning of the true New England type. The town had a grammar and district school, two churches that were crowded on Sunday and weekly lecture days. There was a social library in the North Parish and on the whole the town of Andover was as flourishing as any inland town of the Common wealth.
