paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 300 Publisher: Southeast University Pub. Date :2009-01-01 version 1. This book is a comprehensive medical colleges and chemical materials. A total of 19 book chapters. covering inorganic chemistry. physical chemistry. organic chemistry and analytical chemistry. Book is based on teaching needs. describes the composition of the solution scale. osmotic pressure. colloidal dispersion system. the structure of matter (atoms. molecules. complexes). electrode potential. the chemical reaction rate. the chemical balance (pH. redox. and with equilibrium position). but also introduces the basic theory of organic chemistry. basic knowledge and sugar. lipids. proteins and nucleic acids. Book is concise. easy to understand. closely integrated with medicine. Book for clinical medicine. nursing. dentistry. medical imaging. test and other medical-related professional. specialist use. and for adult education. continuing education use. Contents: Chapter solution composition and osmotic pressure section scale scale a solution composition. solution composition scale representation Second. the solution osmotic pressure of the preparation of a solution of Section II. penetration phenomena and osmotic pressure II. osmotic pressure and solution concentration. the temperature dependence of three. four osmotic. isotonic. hypotonic and hypertonic solution five crystal colloid osmotic pressure and colloidal osmotic pressure Chapter II Section colloidal dispersion system - a highly decentralized system . knowledge of the history of two colloids. dispersed sol-II classification system. the nature of the two sol. micelle structure of three. the relative stability of the sol polymer solution and coagulation Section one. the concept of two polymers . the nature of the three polymer solutions. gels. surface phenomena and the fourth one surfactant. surface tension and surface energy of two. three adsorption phenomena. surfactants Chapter chemical reaction rate and chemical equilibrium chemical reaction rate of the...
